**LOCAL BUSINESS ENTERPRISE PROGRAM** OVCDL encourages the utilization of businesses within its service area. To promote participation of local business enterprises in the competitive selection process, OVCDL provides incentives to local businesses.

A Local Business Enterprise is defined as follows:

*GUIDELINES AND REQUIREMENTS FOR CONTRACTING WITH  
OWENS VALLEY CAREER DEVELOPMENT CENTER*

Local Business Enterprise – to be considered as a local business enterprise, a firm must provide evidence the firm is located at a fixed commercial or residential address where administrative, clerical, professional or other productive work is performed relative to its commercial purpose. The firm must be located within the OVCDC's service area for a minimum of one year.

A value of three additional points will be added to the evaluation scores of Local Business Enterprises who bid on professional services contracts. In the event that the proposed services will be evaluated on a price basis only, the bids of local business enterprises will be reduced by 3%. If, after this adjustment, the local business enterprise is determined to be the most competitive bid, the actual contract amount will be the amount originally bid by the local business enterprise.

After evaluation of Best and Final Offers, the purchase will be awarded to the most responsive and responsible vendor whose offer is the most advantageous to OVCDC. The OVCDC reserves the right not to make any award. An award may be split between multiple firms. To receive preference documentary proof is required to be submitted with the proposal. For example, a copy of valid enrollment card from a federally recognized Tribe or proof of more than 51% Indian ownership in a business is required for Indian Preference.

Any agreement awarded will be required to contain the following agreement language or substantially similar language as may be negotiated:

**“SOVEREIGN IMMUNITY WAIVER LIMITATIONS:** Contractor acknowledges that OVCDC, including its TANF and other programs, is a tribal consortium, without authority to waive the sovereign immunity of any consortium member Tribe.
